Conference Events

Saturday 30 October

Workshops and events will be held during the day.
Workshops include:

- **Project funding for the future**
- **Working with schools**
- **Horrible hachures**
- **Oral history recording**

There will also be lots more going on, including a wide range of SRP projects on display, book stalls, a preview of the new SRP training videos, and special SRP clinics to deal with specific data entry issues, all in the wonderful setting of Crieff Hydro.

Sunday 31 October

SRP and RCAHMS will run two guided walks to local rural settlements in the area. The walks are free, but places need to be booked in advance and will be allocated on a first come first served basis if demand is high. To apply, please complete the relevant section on the conference registration form.
